

SPMT Passing Rt. 8 Intersection

Trailer heading to Rt. 14 Tamuning; more than half of first leg completed

FOR IMMEDIATE RELEASE

Hagåtña, Guam - Sunday, February 12, 2023 – As of 9:42pm, the Self-Propelled Modular Trailer (SPMT) carrying heavy haul components for the Ukudu Power Plant is approaching the Rt. 8 Intersection as it proceeds Northbound toward Rt. 14 in Tamuning.

Those traveling Northbound should take Rt. 8, toward Rt. 16 or Tiyan Parkway as an alternate route. Please drive with extra caution if you must travel near the SPMT. The outermost Northbound lane is open.

Log on to poweronthemove.org for alternate routes and real time tracking.

Doosan Ukudu Power and Doosan Enerbility thank you for your patience and understanding.
