

# SPMT Completes Return Trip to Port

*Arrived at destination at 12:20 am, 4 hours ahead of schedule*

FOR IMMEDIATE RELEASE

Piti, Guam – Thursday, February 23, 2023 – The Self-Propelled Modular Trailer (SPMT) completed its return trip to the Port Authority of Guam just after midnight at around 12:20 am. The trailer departed the site of the new power plant at Ukudu at 7 pm, Wednesday evening, traveled Southbound on Rt. 1, and was escorted by Guam Police Department units.

Heavy haul transports for the new Ukudu Power Plant are occurring almost daily and will continue for the next few months. We encourage the public to use alternate routes to avoid traffic delays. Alternate routes, project information and live tracking are available at [poweronthemove.org](http://poweronthemove.org). Updates and other information can also be found on our Facebook page at Power On the Move, Instagram @poweronthemoveguam, and by subscribing to receive text alerts through [guampdn.com](http://guampdn.com).

Doosan Ukudu Power and Doosan Enerbility thank you for your patience and understanding.
