

SPMT to Return to Port Tonight

Trailer scheduled to depart Ukudu at 7 pm

FOR IMMEDIATE RELEASE

Dededo, Guam – Tuesday, February 14, 2023 – The Self-Propelled Modular Trailers (SPMT) will return to the Port Authority of Guam after completing its second heavy haul transport of components for the new Ukudu Power Plant. The SPMTs are scheduled to leave Ukudu at 7 pm tonight, heading Southbound on Rt. 1, Marine Corps Drive. The Guam Police Department will escort the trailers.

Subscribe to poweronthemove.org and our social media pages for alternate routes, information on the transport project and live location.

Doosan Ukudu Power and Doosan Enerbility thank you for your patience and understanding.
